Subject: Fw: 10 Tribes Meeting Request

Colleagues:

I've attached a DRAFT response to the invite to the 10 Colorado River Basin Tribes meeting in Las Vegas on October 14th. Although it proposes us attending the meeting on the 14th, we need to discuss that obviously. Their invite indicated flexibility as to when we could attend one of their regularly scheduled meetings. (Jared and other Region 9 senior managers (including me) may be meeting with Navajo Nation that same week on the GKM long term monitoring plan, the 5 year plan for abandoned uranium mine clean up, and the clean power plan.)

I would propose we use the tail end of next weeks GKM Monday call (it seems like we usually have at least 15 minutes left on the calls these days- REGGIE: can we extend the time slot if necessary?) to discuss our response to this request. If that doesn't work, I will schedule an independent time slot.

Items to discuss include:

- Timing
- Who should/can attend and represent each regional office
- Read ahead material list that we can provide meeting participants (e.g., long term monitoring plan, relevant Press Releases, general information on abandoned mine sites in the west, etc)
- others? please advise

Let me know your thoughts and suggestions.

Thank you and enjoy your weekend.

Sincerely

Enrique Manzanilla
